

# High Performance Program

In conjunction with USA Volleyball, the CEVA will continue our Regional High Performance program. Participating athletes will represent our region in the USA Volleyball High Performance Championship tournament. The goal of the High Performance Program is to provide volleyball athletes with the best coaching and available in Oregon and SW Washington. Our Regional HP teams will represent CEVA and show the other regions our level of competition.

Members of the CEVA High Performance teams will have the opportunity to:

- Compete with the best athletes in the country within their age groups
- Play with some of the best athletes in Oregon and SW Washington
- Receive top quality coaching and instructions
- Increase individual visibility, particularly for those from club teams with low exposure

## USA Volleyball High Performance Championship Tournament

In July 2008, our participating athletes will represent the CEVA in an inter-regional USA Volleyball High Performance Championship tournament. The CEVA will be sending 2 teams to the event, one National Youth Team (girls born in 1992 and after) and one National Select team (girls born in 1994 and after). This event is run by USA Volleyball. The tournament will be held at the Tucson Convention Center in downtown Tucson, Arizona. The tournament dates are July 23-27, 2008

In July of 2007, CEVA sent two National Select teams to Fort Lauderdale, FL. In the Select Division, 24 teams competed against each other. The other teams who participated are from Ohio Valley, Garden Empire, Southern Californian, Northern California, Aloha, Florida, Lone Star, Iowa, Carolina, Badger, and Gulf Coast Regions from around the Nation.
